

WI  
TECH 2.0

# The world is your shop.

## Completely Untethered Diagnostics

For more information visit [fcawitech.com](http://fcawitech.com)

The current generation of Mopar's diagnostic system **removes the limits** on dealer service capacity.

- › wiTECH 2.0 access anywhere there is cellular coverage
- › Road test on your mobile device
- › Program keys anywhere, even at your customer's home
- › Perform flashes on the dealership lot or at an off-site storage location

During  
Test Drive

Outside Dealership  
Wi-Fi Range

House  
Call

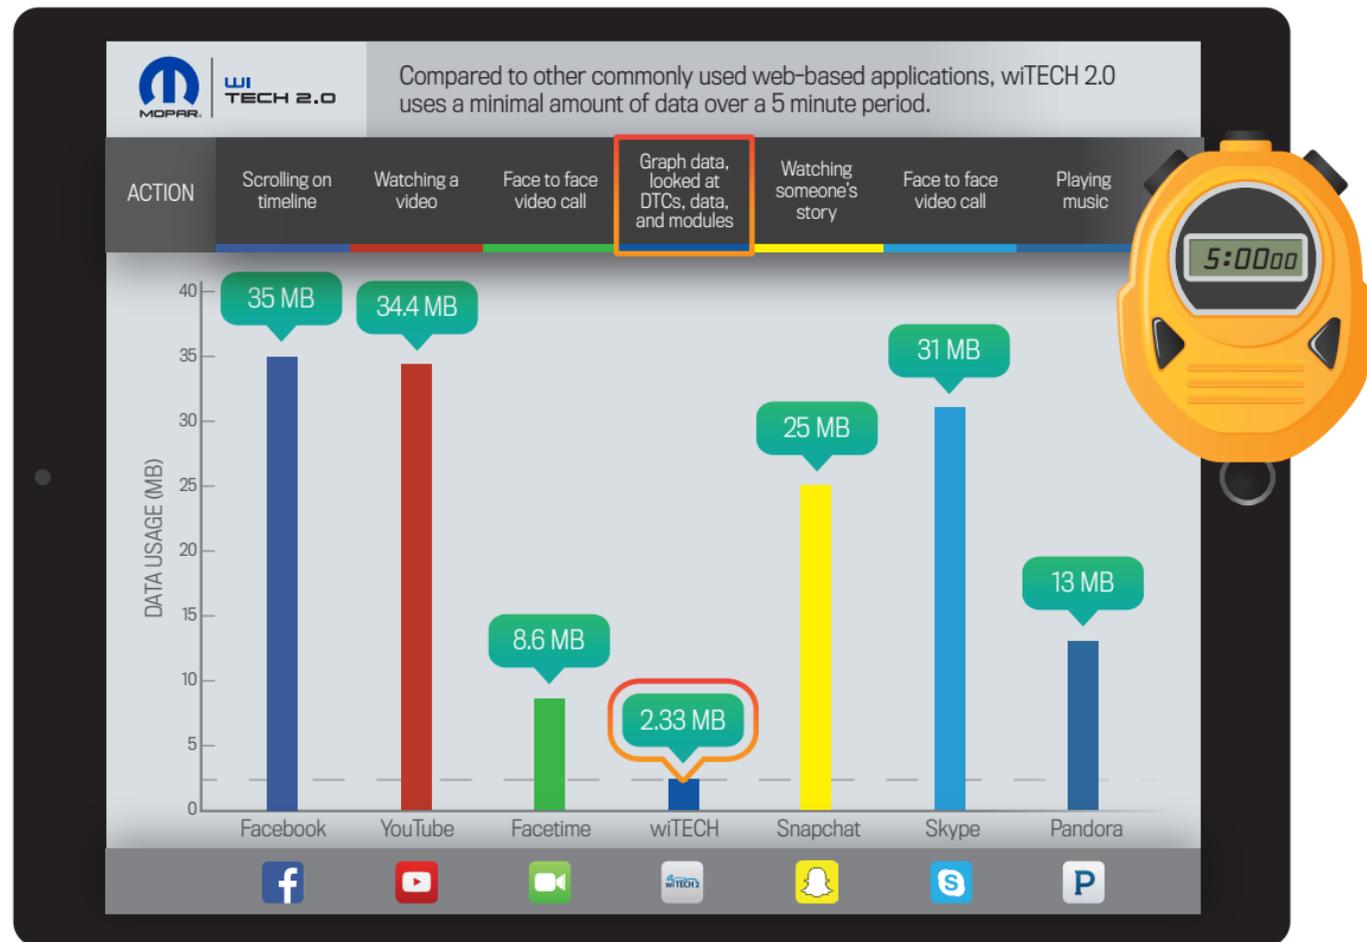

Roadside  
Assistance

## Mobile wiTECH 2.0 is data efficient.

Use wiTECH 2.0 on your mobile device while using less data than playing music.

Visit [fcawitech.com/mobility](http://fcawitech.com/mobility) for Mopar's mobile hotspot and network recommendations.
