Introduction

This article demonstrates the steps required to purchase wiTECH 2.0 VIN subscriptions. A wiTECH 2.0 VIN Subscription costs \$40 for a duration of one month and it allows to connect to that vehicle VIN in addition to the time-based subscriptions such as 3-Day, Monthly and Yearly subscriptions that are already offered.

Please note that you still need to purchase a TechAuthority subscription for accessing service information and other services. A Flash Subscription for Vehicle ECU Flash.

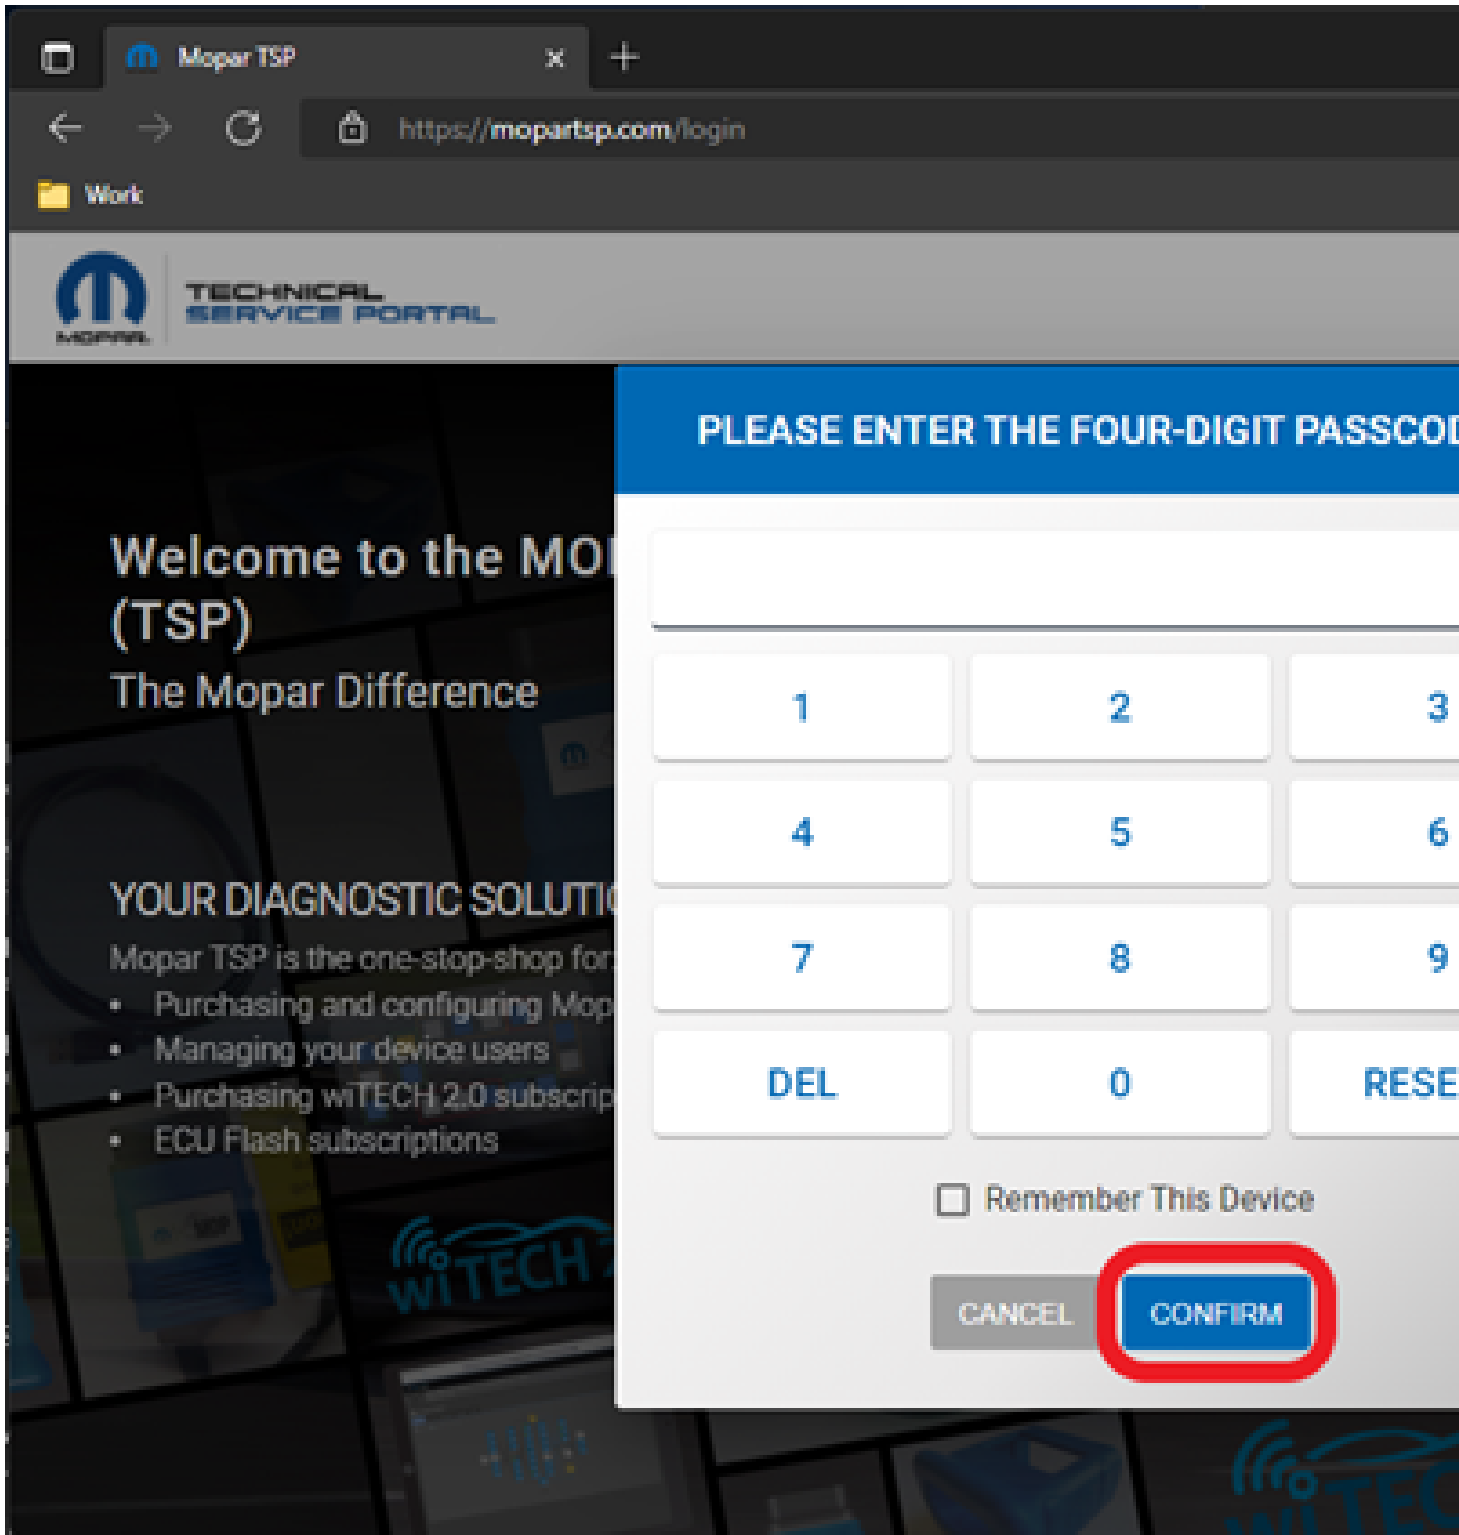

How-To Purchase a wiTECH 2.0 VIN Subscription

1. Go to the Mopar Technical Service Portal website at: <https://mopartsp.com/>
2. Select "AFTERMARKET"
1. If you don't already have a Mopar Technical Service Portal account, select the link to "Register" and complete the registration process.

3. Enter your login credentials and select “LOGIN”.

4. If required, complete the 2 Step challenge, and select “CONFIRM”.

5. Select “PURCHASE” from the left menu.

The screenshot shows the Mopar TSP Technical Service Portal interface. The left sidebar contains navigation options: DASHBOARD, PURCHASE (highlighted with a red circle), ORDERS, ACCOUNT, and SUPPORT. The main content area is titled 'Diagnostic Devices' and includes a 'Filter' section. Below this is a table with the following data:

ALIAS	DEVICE TYPE	SERIAL NUMBER
N/A	microPod II	WSP-
N/A	MOPAR Diagnostic Pod - wiTECH	MDP-
N/A	J2534 Device	

At the bottom of the table, there is a pagination control showing 'Items per page: 10' and '1 - 3 of 3'. Below the table, there is a section for 'WSP-' with the text 'ALIAS: N/A'.

6. Select “WITECH 2.0 VIN SUBSCRIPTIONS” from the top menu -> Click “BUY NOW” to purchase a wiTECH
