For **Aftermarket ONLY**

The **Technical Assistance Management ("TAM") system** is the new Stellantis platform for submitting and managing wiTECH support tickets. The TAM system can be accessed via the Mopar Technical Service Portal (MTSP). Please see the details below:

- The document below describes the steps to access TAM from the MTSP Portal.

- The document below is the step-by-step user guide to file a wiTECH support ticket via the TAM system

Note: If you are unable to submit a ticket, please call the wiTECH helpdesk for support.
