

How-To Purchase a Secure microPod II - Aftermarket

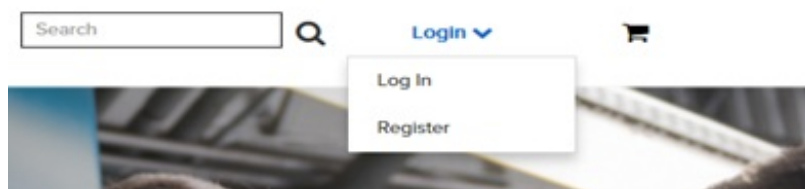

Article Number: 648 | Rating: Unrated | Last Updated: Tue, Nov 6, 2018 9:14 PM

For Aftermarket/Fleet users ONLY

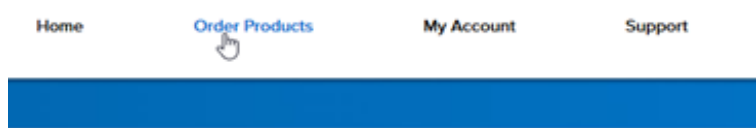

A microPod with a serial number of WSP-31560 or higher is required for wiTECH 2

1. Order a secure microPod II from <https://aftermarket.witechtools.com>

- a. If this is your first time purchasing a secure microPod II via the URL above, you will need to Register for an account

- b. If creating an account for Fleet Users, select "Fleet Customer" when registering
c. Check your email for a link to complete your account creation request (A notification email will be sent once the account has been confirmed, this could take up to 24 hours to process)
d. Once your account is created you will need to go to 'Order Products' to purchase a secure microPod

- e. You can then proceed with the purchase of a secure microPod II

- f. Complete checkout process

2. Once you have received your Secure microPod II you can proceed with the purchase of a wiTECH II Subscription on <https://submgr.am.fcawitech.com>
- Reference <https://kb.fcawitech.com/article/how-to-purchase-a-witech-2-0-subscription-aftermarket-650.html> for instructions to purchase a wiTECH 2 Subscription.
 - Please Note : the Subscription starts at the time of purchase, please have the Secure MicroPod in hand before proceeding.
3. If you have any further questions please call the wiTECH Premium Support Help Desk at 1-844-948-3242.
