3rd - How-To Purchase and Assign a wiTECH 2.0 Subscription and Assign Users- Aftermarket

Note: After subscribing to wiTECH 2.0, your subscription term begins when the subscription is assigned to a VCI device. At the end of your subscription term, it will automatically renew. You can cancel a subscription at any time for the subsequent term. There are certain portions of the application that can only be accessed after also purchasing a subscription with Tech Authority, this includes but is not limited to: flashing, DTC service information, vehicle reconfiguration, and replacing certain ECUs. To purchase a Tech Authority subscription, reference [How-To Purchase a TechAuthority Subscription - Aftermarket](#)

1. To purchase a subscription, navigate to the Mopar Technical Service Portal (MTSP) website: <https://mopartsp.com/>

2. Select **Aftermarket** and enter your **username** and **password**, then click **Login** or press **ENTER** on your keyboard and complete the multifactor authentication challenge if requested.

3. The dashboard will provide access to subscriptions, tools, and account information. There are two options for purchasing wiTECH 2 subscriptions. Users can purchase a wiTECH 2 time-based subscription, or they can now purchase a wiTECH 2 VIN subscription. The time-based subscription gives the user access to infinite vehicles during the time of their subscription. The VIN subscription gives the user access to a single VIN per subscription for one month after assigning the subscription.

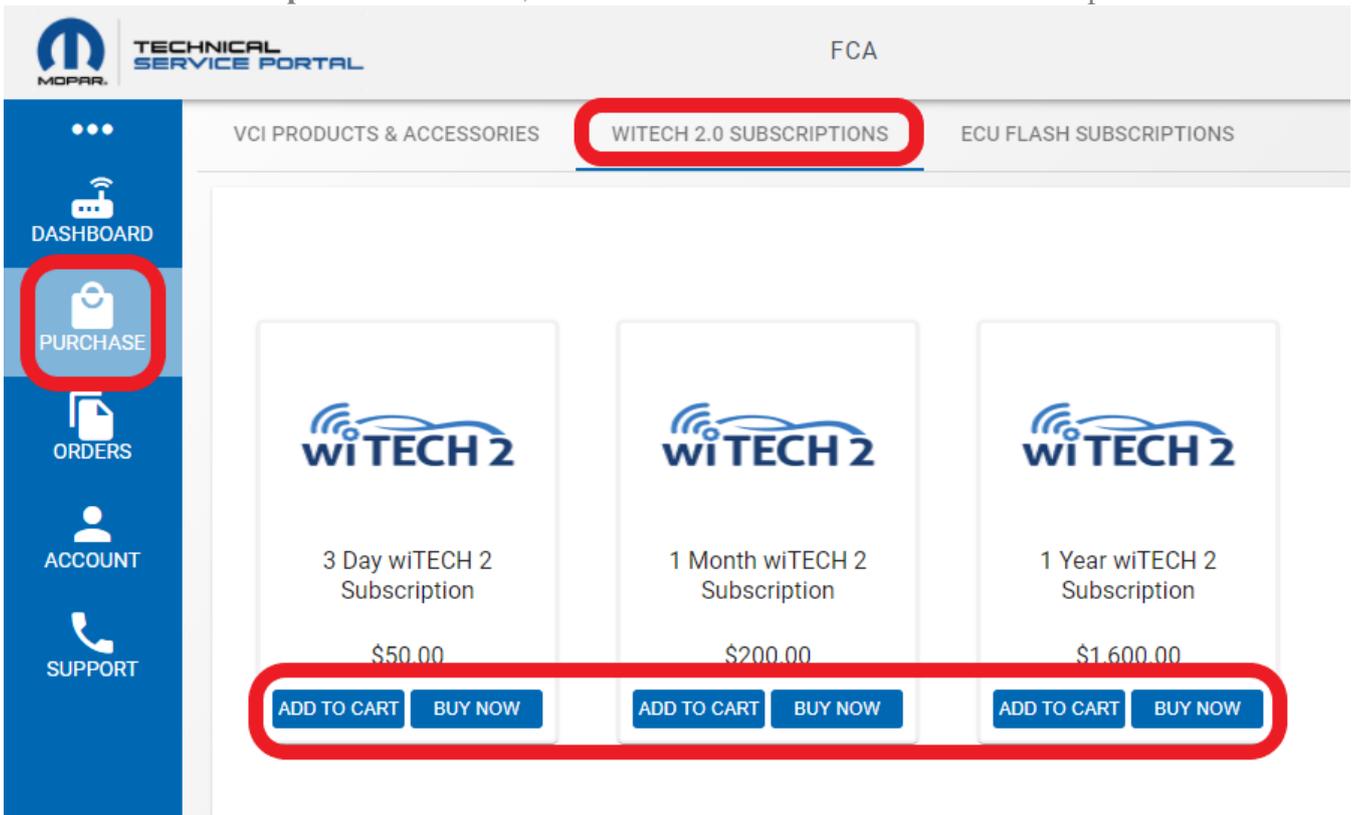

3. a. To purchase a wiTECH 2 VIN subscription, on the navigation menu, click on Purchase and **wiTECH 2.0 VIN Subscriptions**. From here, click on **BUY NOW**.

*****NOTE: After purchasing a wiTECH 2.0 VIN Subscription, the subscription will be activated and assigned to the desired VIN in wiTECH on the Vehicle Selection screen. Please see [How-To Purchase and Use a VIN Based wiTECH 2.0 Subscription – Aftermarket](#) for further details on using a wiTECH 2.0 VIN subscription.**

After purchasing a wiTECH 2 VIN Subscription, proceed to Step 7 to assign users to the VCI device.

3. b. To purchase a wiTECH 2 time-based subscription, on the navigation menu, click on **Purchase** and **wiTECH 2.0 Subscriptions**. From here, click on **BUY NOW** under Annual Subscription.

4. Complete the steps to purchase the wiTECH 2.0 Subscription.

5. b. Once the wiTECH 2 time-based subscription has been purchased, the subscription will need to be assigned to a Vehicle Communication Interface (VCI) device. Select **Dashboard**, then the device you want to assign a subscription, then the purchased subscription type, and finally, the **Assign** button.

7. To assign users, select **Add User**, then add the user's email and first and last name and select **Save**.

After the user is saved, select the + to the right of their name to add them as a **Currently Assigned User**.

Now the VCI device has a subscription and users assigned to it and is ready for use with wiTECH 2.0.
