Enhanced DRB III Emulator – Aftermarket/Fleet Only

843 Will Flickema Tue, Aug 19, 2025 wiTECH 2.0 Public Articles - Aftermarket 10104

Beginning August 1, 2014, any Aftermarket/Fleet sales of wiTECH Equipment will no longer include the DRB III Emulator. For vehicle support prior to 2004 (and certain vehicles until 2010), the Enhanced DRB III Emulator will need to be used for diagnostics and programming.

Any inquiries on the Enhanced DRB III Emulator should be addressed to Controller Tech for purchasing and support of the stand-alone Enhanced DRB III Emulator software and hardware.
