TSB 08-089-19 RA3 and RA4 8.4" Flash Over The Air (FOTA) Update - Radio Update Message

949 Ryan Clauson Mon, Sep 16, 2019 Announcements 19900

Overview:

A new radio Flash Over The Air (FOTA) Update has been released for RA3 and RA4 8.4" radios as part of TSB 08-089-19. After performing this update, some customers may find that their radio still prompts them to perform the radio update.

If this occurs, please refer to Star Online Case S1908000157 (see below) for the process to resolve the the update pop-up message.

Please refer to TSB 08-089-19 (see below) for information on RA3 and RA4 FOTA updates and applicable vehicles.
